CONVEYORS

COMPLETE SOLUTIONS FOR BULK MATERIAL HANDLING

Kase has more than 35 years of experience designing and manufacturing heavy duty applications requiring custom conveying and storage equipment. Whether your project is large or small, simple or complex, replacement or CapEx, Kase has the solutions and expertise to fulfill your needs.

BELT CONVEYORS

- > Belt Feeders
- > Overland Conveyors
- > Radial Stackers
- > Cleated Side Wall (Pocketed)
- > Tripper Conveyors
- > Open and Enclosed
- > Weather and/or Dust Tight
- > Ships in Fully Assembled Sections

Whether you are conveying 5 feet, 500 feet, or 5 miles, horizontal or vertical, we have the solution for you.

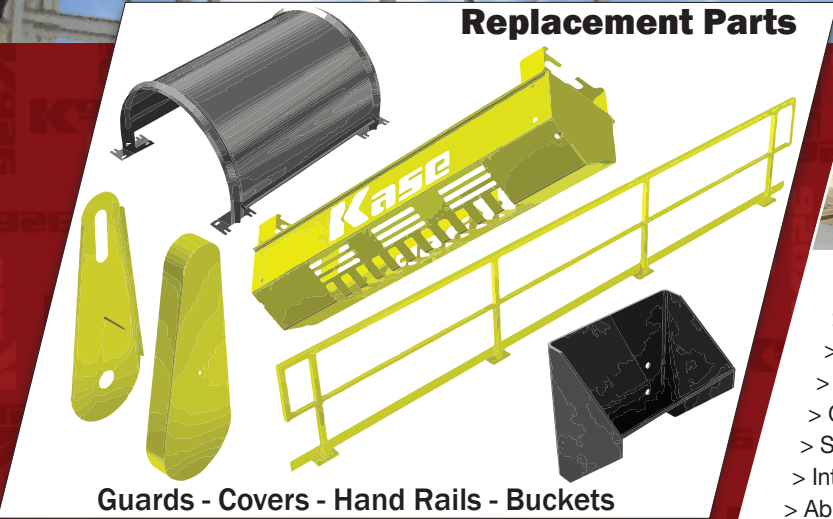

BUCKET ELEVATORS

- > Continuous or Centrifugal
- > Belt or Chain
- > Dust Tight is Standard Design
- > Weather Tight Optional
- > Wide Range of Construction Materials
- > Extra Heavy Duty Construction
- > Service Platforms Optional
- > Support Towers Optional

Contact Kase for your Bucket Elevator needs. Single, double, and triple row elevators are available.

Our **K**nowledge, **A**ilities, **S**taff, and **E**xperience
are ready to help make
your next project a success.

Replacement Parts

Guards - Covers - Hand Rails - Buckets

HOPPERS, BINS, SILOS

- > Designed for Loads
- > Welded Construction
- > Self Supporting
- > Grizzly Options
- > Skid-Mounted Options
- > Integrated Feeder Optional
- > Abrasion Resistant Wear Liners Optional
- > Slide Gates and Diverters Available

All shapes, sizes and capacities available and built to suit your specific requirements.

SCREW CONVEYORS

- > Screw Feeders
- > Inclined or Horizontal
- > Live Bottom Systems
- > Batch Mixers
- > Wide Range of Construction Materials
- > Classifiers
- > Grit Washers
